

## Photography Competition 2020

As we are currently unable to take part in activities, we are holding a photographic competition as a way of raising morale and inclusion across our communities at this strange and challenging time.

The aim of the competition is to encourage local people to share their experiences and activities they undertook during lockdown. These photographs will celebrate our natural environment, our people, and our projects, all the things that make Glen Urquhart and Strathglass special.

### Themes

1. **Hobbies or new projects undertaken due to lockdown**– the projects we have started or finished because of lockdown and new hobbies to keep us occupied.
2. **Out and about on my daily excursion** – local views or points of interest
3. **Life in Lockdown** – what or who made me smile, inspired me or kept me going when things got tough.
